Speaker 1:

Well, thank you.

Janette Roderiques:

Thank you very much.

Speaker 1:

I'll be back here.

Janette Roderiques:

Start now?

Speaker 3:

Yeah.

Janette Roderiques:

I was working in the Fish House. I was going to the store with my mom. I was helping my mom to put food on the table.

I like to work for my mom. I like to help my mom to clean the house. I like to help my dad, too, to stay home with him. I like to go to school at night. I like to spend time with my mom and my dad, too. I like to be home with my mom and dad. I like to spend with them. They never ask if they never help do things for them. Like to help my mom to cook for them. I like to help my mom to wash the dishes. I like to help my mom to make the best for her. I have my mom to help with my money. She's always give me money to make the store for us.

I helped my aunt to clean her house, too. I was hanging the clothes on, and washing for her. I had to do the bathroom. She asked me to hang her clothes on the line to stay with her. My aunt comes home from work that I was going home. I help my Aunt Dolores to saw wood and I put the trash in the barrels.

Went to the store with my Aunt Dolores. She made her store. I helped her put the store away for her. I miss my two aunts. I did thank for them to help them when they needed me to do things for them. I go to the house and see them all the time. I like to help her take my Janet off the bus for her, and she was very sick at the time.

I bring fish her, and my Aunt Dolores come home from work. "These were good," she told me. It was very good and she fried it, too. I came home to help my mom to clean the fish. And we always eat it on. My aunt told me she thinks to me bring the fish to her.

I'm all set.
